From the Principal

2017-2018 CLASSROOM PLACEMENT

Although we are still in the early stages of the third trimester, planning for the 2017-2018 school year has already begun. It is hard to believe the school year is nearing an end. My first year as a principal has flown by for me, and I can honestly say that I've loved every minute of it!

As students transition into the next grade level, we closely analyze how we place each one into classes. Since every learner is unique, our goal is to pair each student with an environment that maximizes his or her potential. Therefore, balancing classrooms based on gender, special needs or talents, learning styles, and personalities are all factored as we compile class lists.

We welcome your insights about your student, which will assist us in making classroom placement decisions. Because of the many factors considered when putting a class roster together, requests for specific teachers will not be accepted.

If you have information about your student that would provide insight into placing your child, please forward your thoughts to me, in writing, by Friday, May 5th. Valuable information includes:

- Your child's talents and needs
- Classroom environment that is most beneficial for your child
- Your child's personality and learning style

Letters must be received by May 5th to receive consideration. Letters can be submitted through the Lincoln main office, or through email attachment at Christine.Balaskovits@d303.org.

Thank you for assistance in this important matter. If you have any questions, please feel free to call me at 331-228-2500.

Mrs. Balaskovits

From the Secretary

Runners Club

If your child is signed up for the Runners Club on Monday and Wednesdays it is not necessary to send a note each day to their teacher and the office. We will assume they are staying after school *unless* we hear differently from you via note/email.

Registration for 2017-2018

This week registration information was sent out to all incoming 1st-5th graders. New this year... District 303 has uploaded all registration paperwork for families to print off and submit to the mail office. This paperwork should be submitted to the Lincoln School Main Office by Friday, April 21, 2017.

Summer Camp

D303 will offer two summer camp experiences at ONE site this summer. Please look at the separate attachment to this bulletin for more information.
