## *From the Principal*

It is hard to believe that the 2016-2017 school year is coming to an end. It is amazing to see the progress that all of our Lincoln students have made this year. From our incoming kindergarten students who were so nervous to start the year to our fifth graders who are clearly ready for the challenge of middle school, there is so much to celebrate! Our building-wide focus on self-directed learning has helped provide students with the tools they need to be confident, motivated learners no matter where they are headed next year.

On a personal note, I would like to thank all of the Lincoln families for their support this past year. The principalship is a role that I did not enter lightly. Being chosen to lead the Lincoln community was the right fit for me at the right time. While there has been a learning curve and some days are more challenging than others, I can honestly say that every day has been joyful for me as an educator. I can't wait to see what next year brings for us as a Lincoln community!

If you need anything over the summer, please give us a call or stop by. Mrs. Eageny and I will be here most days and would love to have visitors. If you are traveling, send us a postcard or picture so that we can see all the fun you are having!

Enjoy your family time over the summer!

Mrs. Balaskovits

## *From the Secretary*

### **2017-2018 School Supply List**

The updated school supply list is now available on the Lincoln website. In an effort to go paperless, we will not be providing a printed copy to each student this year. Outside the office, we will have some paper copies in the magazine rack.

### **School Tool Box**

Available now through June 9<sup>th</sup>, you can purchase this prepackaged school supply box online for the upcoming school year. *Remember to order the grade your child will be in for the 17-18 school year.* Please see the attached flyer for more information.

# TIME TO FEED THE GREEN MACHINE

## and recycle your school supplies!

Lincoln Daisy Troop #368 would like your help to Feed the Green Machine. We have partnered with the St. Charles Park District and several other St. Charles schools and S.C.A.R.C.E. to Feed the Green Machine.

So we need your help to recycle your school supplies so they do not end up in landfills at the end of the school year. The gently used items we collect will be sorted and then distributed by S.C.A.R.C.E. to schools in need throughout the Chicagoland area and beyond. We will be taking *all new, gently used and used* items for this collection. The items we will be collecting are.....

### WRITING UTENSILS

This means anything that writes even if the marker is dried out. We will sort the writing utensils into working and non-working piles. Working pens and markers will get a new home and dried out pens and markers will be recycled. Stubs of crayons are melted down into rubbing crayons and useable ones that will go to another child.

### PAPER

We are looking for anything that you think is useful, post-it notes, the half of the note-book that is not used, kids' magazines, part of the pack of construction paper...try to get the kids to recycle the things that would be considered scrap paper.

### GLUE

We need glue sticks that are working or have a bit of glue on the bottom. S.C.A.R.C.E. will combine them into full bottles.

### MISCELLANEOUS

This box is for anything you won't need next year like rulers, pencil cases, binders, erasers. If it is something that can still be used then it fits in this box. S.C.A.R.C.E. can find a use for anything!

Place your donated items  
in the boxes located in  
front of the Lincoln gym  
now through the last  
day of school!
