- *Wednesday, October 25th from 6:30 - 7:30 at Munhall*

### **Introducing Mrs. Rollins**

*My name is Lori Rollins and I am the new orchestra teacher here at Lincoln School. I also teach orchestra at Wild Rose School. I have taught orchestra from beginners through high school for more than 25 years. While I am new to Lincoln School, I am not new to D303. Previously I taught at Richmond, Ferson Creek and Wasco Schools. I love all the string instruments, but my main instrument is the violin. My husband and I have two sons - both who are also musicians. Jeff, our oldest is studying to be an orchestra teacher at University of Illinois, and Jacob, our youngest, is a violist at St. Charles North. When our family is not performing together, we are avid Bears and Cubs fans! We like to travel, and this summer we started in Disneyworld and ended in Disneyland. I am very excited to be part of the Lincoln Community!*

**Tomorrow is an Institute Day for our staff members. Our morning will be focused on learning about literacy instruction in order to refine our practice (and therefore impact student learning). The afternoon will be devoted to Math conversations and additional learning for classroom teachers. Our specialists will be focused on topics specific to their roles. It will be an informative day, followed by a much-appreciated three day weekend for staff!**

**Enjoy the long weekend!**

## *From the Secretary*

- **Please note:** The office hours are from 7:30 am – 4:00 pm. Please do not ring the bell any time beyond those hours. If you are picking your child up from an event, the event coordinator will bring your child back out to you as soon as it is finished.
- It is assumed all eligible bus riders will be riding the bus home UNLESS we are notified in writing. *Many times children can get confused with dismissal plans and unless we have it in writing the children are to go home their usual way.* Please refrain from last minute changes (except in emergencies). The office can be extremely busy, and voicemail messages left may not be heard before dismissal.

## *From the Nurse*

As we are approaching cold and flu season please make sure that you let the school know what symptoms your child is experiencing when calling your child out for the day; i.e. fever over 100, sore throat and/or cough, etc. Please remember that your child should be fever free (without meds) for 24 hours before returning to school.

# Art Volunteers In the Classroom

## **AVIC needs you!!!**

We are short volunteers for a few of our classrooms.

**If no one volunteers for your child's class, then your child will be missing out on these fun and educational experiences!!!!**

We particularly need volunteers for **AM and PM Kindergarten, 1<sup>st</sup> grade Boone and Harmon, 2<sup>nd</sup> grade Klotz, 3<sup>rd</sup> grade Gershon.**

You do not need to be an artist to help teach the children about art! For each print, there is a resource packet full of information and ideas for presentations and projects.

If you are interested in volunteering or learning more about AVIC, please contact:
