

# Teacher appreciation week – May 1<sup>st</sup> – 5<sup>th</sup>

Dear families,

Next week is teacher appreciation week. At Lincoln, we are very honored to have a phenomenal staff and we are very excited to honor them. The PTO will be providing special treats for the staff throughout the week. The committee will be providing:

Monday – breakfast for the staff

Tuesday – taco lunch

Wednesday – dessert bar

Thursday – grab and go snacks

Friday – catered lunch provided by PTO

We would love for you and your family to help us celebrate your teacher and the staff of Lincoln school. Below are some suggested ideas that your child can do to show their appreciation on different days. Feel free to do whatever works best!:

Monday – bring a flower (the one attached), one from the garden, a drawn picture. Brighten the day of a Lincoln staff member!

Tuesday – write a thank you card, picture or letter

Wednesday – a sweet treat

Thursday – your teacher or staff member's favorite refreshing drink (lemonade, bottle of water, cup of coffee)

Friday – write down your favorite memory from the school year to share with your teacher

Finally, attached is a flower for your student to decorate. We would like to show our appreciation for the staff in the hallway

by the office. Please have your child fill out the flower and color it for display. Return to school by Monday, may 1<sup>st</sup> to be part of the display!
